FIFTH ANNUAL SALE

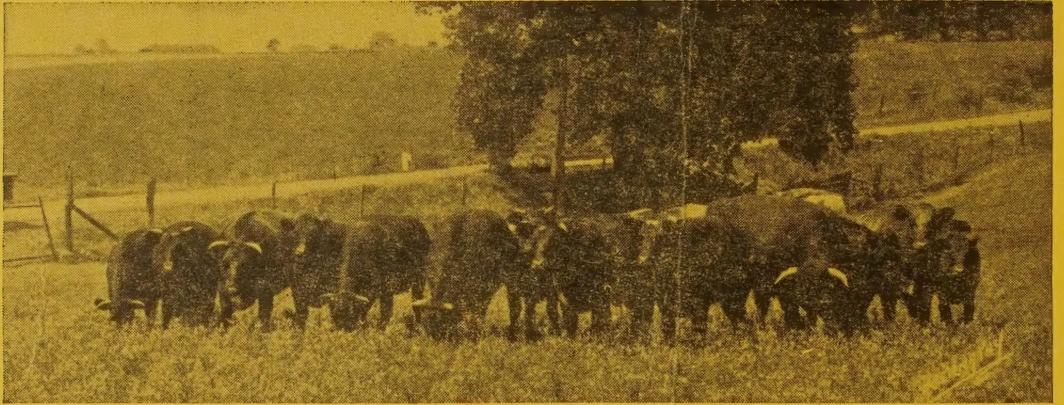

. . . of the . . .

***LaSalle County Shorthorn Breeders
Association***

Ottawa, Illinois

Thursday, March 18, 1943

This picture was taken at the Whitaker Bros. Farm, which is one of the best herds in Illinois. Two good cows with calves at foot and one herd breeding bull is selling in the LaSalle County Shorthorn Breeders Sale.

We Invite You

To attend the Fifth Annual Sale of the LaSalle County Shorthorn Breeders' Association and see the fine cattle which the members of this county organization have produced and are now offering you the opportunity to secure some of the very choicest Shorthorn families for your herd. The breeders of this association have spent years in developing herds which have at their head outstanding sires and dams. They are offering the best in this consignment and we invite your attention to the animals listed.

Never has it been so important to have a good herd bull and never have we offered as choice a lot for you to select from. The sire is truly half the herd and you can make no wiser investment than in an outstanding sire.

A few head of the choice well-bred cows and well-bred heifers will lay a sound foundation for a new herd or be a wise addition to present herds. The sale is full of richly bred blood lines which have always proven to be profitable.

With food, and especially meat, becoming more and more essential every day, it is important that we improve our beef cattle through the use of the Farmers' Greatest Breed of Cattle—Shorthorns.

We cordially invite you to be with us Thursday, March 18.

ELMER McCORMICK, Sales Manager.
